

ADVANCED SOLUTIONS FOR DOCUMENT PROCESSING

INDUSTRY

- The Federal Reserve processed 16.7M items via its C21 services in June 2005.
- According to a recent Image Exchange Market-Vendor Update conducted by ICI Consulting and Alogent, there are 4 primary vendor platforms:
 - **SVPCo**— Owners account for 59% of US Deposits.
 - **Viewpointe**— Owners account for +50% of US deposits.
 - **endpoint exchange**- 6 million check images exchanged monthly.
 - **Federal Reserve**— Largest check processing entity in the US. Processes over 40% of all checks.

MARKETING UPDATE

- We are pleased to announce the launch of our completely redesigned web site at www.panini.com (Click on North America)

PRODUCT UPDATE

- **Consumables/Parts**
To support the Panini product suite, we offer best-in-class supplies and replacement parts for our customers.

We offer a Panini My Vision X Supply Kit which includes:

- Feeder Roller
- Separator Roller
- Feeder o-ring

This is only a sample of the extensive consumables/parts inventory we have on-site.
